❖ Welcome

Dear Colleagues,

FENS and the local host societies of Austria and Germany welcome you to the 5th Forum of European Neuroscience in Vienna, Austria. We are positive that we will earn the confidence FENS has reposed on us by selecting Vienna as the site of the FENS Forum in 2006. Our visitors will benefit from the central location of Vienna and you can be assured that we will do everything to make this event a scientific highlight and a memorable visit to Austria's capital city.

Though our focus will be science at its best, we also want offer you the opportunity to experience Vienna's treasures: its life style, history, culture and arts. By taking into consideration that FENS Forum Meetings are also social events, we will set up the FENS Night on July 9th at a spectacular location.

Get your mind set for an intense 5-day adventure and check our web site not only for the scientific programme but also for the cultural events we will arrange especially for FENS delegates and we suggest you mark July 11th for a night of culture in your calendar.

Above all we assist students and young scientists to take this opportunity to attend a large meeting, many of them for the first time. FENS, IBRO, and their affiliated societies have built up a good tradition of providing literally hundreds of competitive travel grants, and we encourage students to apply. By invitation of the Mayor of Vienna, we have arranged exclusively for our young participants a FENS Student's Night in the city hall on July 10th. Take a look at the web site set up especially for young neuroscientists by Austrian students.

For our commercial partners we wish to point out that for Vienna and the following Forum Meetings, FENS is working with The Herlitz Company. The company has extensive experience in this field, as we always aim to improve the services for our exhibitors and sponsors and to guarantee continuity for future meetings.

Following a terrific meeting in Lisbon, we are already looking forward to greeting you all again in Vienna.

Lo2 Tim Bliss
The synaptic basis of memory.

Poster Session 1

Symposia

- So1** Neural correlates of consciousness: new trends and data.
- So2** Gliotransmitters in action.
- So3** Dynamical motion processing: new insights into the neuronal machinery.
- So4** Physiological roles of T-type calcium channels: cognition, development, pain and sleep.
- So5** Language from a brain perspective.
- So6** Stress, corticosteroid hormones and depression.
- So7** Spinal locomotor networks: basic properties and applications to neurorehabilitation after injury.
- So8** Additional symposium
(to be selected from submitted abstracts)

Special Event

SEo1 FENS/European Brain Council symposium

Special Lecture

SLo1 Hertie Foundation lecture | **E. Kandel**

Poster Session 2

Symposia

- So9** How to erase memory traces of pain.
- S10** Brain immunity as a double edged sword.
- S11** Intracellular dynamics underlying synapse formation.
- S12** Shaping the synaptic signal: the impact of neurotransmitter diffusion and uptake.
- S13** Molecular and cellular mechanisms patterning neuronal connectivity during the early development of the cerebral cortex.
- S14** Cell assemblies and associative memory.
- S15** Signal coding of cerebellar Purkinje cells.
- S16** Additional symposium
(to be selected from submitted abstracts)

Special Event

SEo2 EDAB symposium
Meeting of Minds across Europe

Presidential Lecture

Lo3 Roger Nicoll
The cellular and molecular basis of synaptic plasticity.

Social Programme
FENS Night

13:30–16:45

Technical Workshops

- Wo1** Molecular imaging, nanotechnologies and brain diseases.
- Wo2** Proteomics: a bridge between genes and CNS physiology and pathologies.
- Wo3** Noninvasive high-resolution recording.
- Wo4** Challenges in the discovery of novel therapeutics for neurological and psychiatric diseases.

Monday, July 10

Plenary Lecture

- Lo4 Eve E. Marder**
Stability and plasticity in neuronal networks.

Poster Session 3

Symposia

- S17** Mammalian circadian biology: genome-wide levels of temporal organization.
S18 The parahippocampal cortex as an interface between hippocampus and neocortex.
S19 Numerical competence in primates: from non-verbal precursors to symbolic representations.
S20 Stem cell strategies for neural repair.
S21 Functional role of adhesion molecules at central synapses.
S22 Regulation and behavioural correlates of phasic dopamine release.
S23 Plastic modifications during epilepsy.
S24 Additional symposium
(to be selected from submitted abstracts)

Special Event

- SE03** One hundred years after the 1st Nobel Prize to the neurosciences in 1906.

Special Lecture

- SL02** FENS – EJM award | **J. Garthwaite**
SL03 HFSP lecture | **K. Svoboda**
SL04 IPSEN lecture

Poster Session 4

Symposia

- S25** Neuronal plasticity in rat and human prefrontal cortex: mechanism, modulation, and function.
S26 Molecular mechanisms of ion channel trafficking in the expression of long-term synaptic plasticity.
S27 Role of astrocyte networks in brain energy metabolism.
S28 From molecules to behaviour: the mammalian olfactory system in action.
S29 Underlying mechanisms of addictive behavior.
S30 Neuronal calcium sensor (NCS) proteins as key modulators of neuronal signalling cascades: emerging roles in physiological and pathological processes.
S31 Sleep-dependent formation of hippocampus-dependent memories.
S32 Additional symposium
(to be selected from submitted abstracts)

Plenary Lecture

- Lo5 Giacomo Rizzolatti**
The mirror neuron system in monkeys and humans.

Social Programme
FENS Student Night

Tuesday, July 11

Plenary Lecture

- Lo6 Takao K. Hensch**
Critical period mechanisms in visual cortex.

Poster Session 5

Symposia

- S33** Temporo-parietal junction: where the self meets the world.
S34 Targeting the endocannabinoid system in neurological and psychiatric disorders and pain.
S35 CAG triplet repeat disorders.
S36 Sensory ecology: Acquisition of sensory information in natural environments.
S37 Of rodents and men: unravelling the epigenetic code of brain development.
S38 Retinal pigments: not just for vision.
S39 Plasticity in inhibitory synapse formation and function.
S40 Molecular, cellular and network basis of thalamocortical function in health and disease states.

Special Event

- SE04** NENS symposium

Special Lecture

- SL05** FENS–Boehringer Ingelheim research award | **Z. Nusser**
SL06 Kemali Prize 2006 | **P. Ernfors**
SL07 EBBS lecture | **T.J. Shors**

Poster Session 6

Symposia

- S41** Neuronal cell death mechanisms: Fine tuning mitochondrial function, excitotoxicity and apoptosis.
S42 The physiology of perceptual appearance: why things look as they do.
S43 Small brains, big gains. Memory and movement in bees and flies.
S44 Extracellular matrix molecules in formation and plasticity of central synapses.
S45 Neural codes for cognitive and motor behaviour in the parietal lobe.
S46 Neural basis and plasticity of hearing in noisy environments.
S47 A role for lysophosphatidic acid (LPA)-signaling in the brain: implications for layer formation and axon growth.
S48 Additional symposium
(to be selected from submitted abstracts)

Plenary Lecture

- Lo7 Antoine Triller**
Molecular basis of synaptic organization: a new perspective from single molecule imaging.

Social Programme
Alumni Reunion
FENS Culture

18:30–20:00

Social Programme
EDAB Brain awareness
week reception

Wednesday, July 12

Plenary Lecture

- Lo8 Hannah Monyer**
Genetic manipulations to study synchronous network activity in vitro and in vivo.

Poster Session 7

Symposia

- S49** Mechanisms of memory formation and maintenance.
S50 Epigenetic mechanisms in brain and behaviour.
S51 Dynamic interactions and plasticity in the developing and mature brain.
S52 Mouse models of X-linked mental retardation (MRX).
S53 Prefrontal cortex and the organization of goal directed behaviour.
S54 Shaping the excitatory synapse through scaffolding proteins.
S55 Functional plasticity in the mouse visual system: from genes to behaviour.
S56 Additional symposium
(to be selected from submitted abstracts)

Special Lecture

- SLo8** Max Cowan lecture
SLo9 GSK Neuroscience award lecture

Plenary Lecture

- Lo9 Richard S.J. Frackowiak**
Imaging the structure and function of human brain systems.

CITY INFORMATION

Vienna is the capital of Austria, with a population of almost 2 million. The city has recently become the number one worldwide as a congress destination. For endless opportunities to spend your time in Vienna before or after the conference hours visit the official web site of the Vienna Tourist Board (<http://www.wien.info/>) providing information in German, English, French, Spanish, Italian, Danish, Swedish, Hungarian, Polish, Czech, Russian, Chinese and Japanese.

❖ Sponsorship and Advertising

There are several different options to support the FENS FORUM 2006 with all prices to be discussed on application:

FINANCIAL SUPPORT FOR FENS FORUM 2006

- A financial contribution to sustain the organization of the meeting.

BURSARIES

- One of FENS main aims is to help young scientists to present their recent results at international scientific meetings. Financial support in this regard will enable some young scientists to attend the meeting.

OPENING CEREMONY

- FENS FORUM 2006 will include an Opening Ceremony for the exhibitors and the delegates. Sponsorship of this item may be shared with other companies.

INTERNET CAFÉ

- There will also be an opportunity to sponsor an Internet Café that will be open throughout the FENS Forum 2006 Exhibit Program and located in the exhibit hall.

ADVERTISEMENTS

The following advertising opportunities are available:

- Print your company name on meeting bags
- Print your company name on meeting lanyards.
- Supply pads, pens (or pencils) for delegates
- Display information about your company in the literature distribution area
- Inserts in the meeting bags

❖ Exhibition

7

A commercial/technical exhibition will be held during FENS 2006 at the Austria Center Vienna. We have taken care to design the floor plan in order to maximize the exhibitor's exposure to the delegates by having the Poster Sessions surrounding the exhibits as well having the Coffee Service Lounges and the Internet Café within the exhibit hall.

PROPOSED DATES

Set up times:

Friday July 7, 2006 10:00 – 20:00
(All except "equipped" stands – see below. Decorator will set "equipped" stands.)
Saturday July 8, 2006 08:00 – 20:00

ALLOCATION OF EXHIBITION SPACE

Space Allocation will be made on a "first come, first served basis". A completed application form accompanied by advance payment should be mailed/faxed to ensure reservation of a desired location. Upon receipt of the application form with payment, space will be confirmed and an invoice for the balance due will be mailed. Please note that three alternative choices should be clearly indicated on the application form. Space allocations will be made in the order in which application forms with payment are received. Advance payment will be refunded if space is fully booked or space offered is not acceptable to

exhibitors. Requests for multiple stand space are subject to review. Non-Profit organizations should contact the Herlitz Company, Inc. directly to apply for a discounted rate.

EXHIBITOR REGISTRATION

All exhibitors are required to be registered and will receive a badge displaying the exhibiting company name. Two exhibitor badges will be given for every 9 square meters booked.

Badged exhibit personnel may attend scientific sessions as well as free admission to the Opening Ceremony on July 8th and the FENS Night on July 9th. Additional exhibitors badges, up to a maximum of 4, are available upon request from the Congress Organizing Committee. An exhibitor registration form will be included in the exhibitor's manual.

OCCUPATION OF EXHIBIT SPACE

If an exhibitor has not taken up use of the booth space allocated before the time at which the exhibition is due to be open to the public, or if it is evident prior to this that the exhibitor will not be taking up the space reserved for him, this space may be made available by the FENS Organizing Committee to other exhibitors without further notice of proof of default. In such cases, the exhibitor is not entitled to claim for compensation.

TECHNICAL/EXHIBITOR MANUAL

A technical manual outlining all technical aspects of the exhibition will be circulated 3 months before the Meeting. It will include the following:

- Technical details about the Venue
- Final exhibition details and information
- Contractor details
- Services available to exhibitors and order forms

SITE INSPECTIONS

Exhibitors and sponsors are free to visit the Austria Center Vienna venue at their convenience. Please contact the venue directly to arrange this.

EXHIBITOR PROFILE

A 100-word Exhibitor Company/Product profile will be published in the list of exhibitors in the Final Programme and must be submitted electronically by e-mail to: kris@herlitz.com.

PAYMENT METHODS

Please refer below for all details.

TERMS AND CONDITIONS

The terms and conditions of exhibiting are included in this prospectus. Please note that signature of the exhibition contract indicates acceptance of these terms and conditions.

FLOOR PLAN

The floor plan in this brochure is correct at the time of printing. Exhibitors are welcome to modify any spaces to their specific requirements. A revised floor plan will be included with the booth confirmation. The final floor plan will be sent to exhibitors in March 2006, along with the booth number and an updated list of exhibitors.

APPLICATION FOR EXHIBITION SPACE

Application for exhibition space for FENS 2006 should be made to the below address:

FENS 2006
The Herlitz Company, Inc.

GENERAL CONDITIONS

Terms and Conditions will be included in the Exhibitor's agreement.

These terms are the contractual agreement between the organizer and the exhibiting firm.

APPLICATION TO PARTICIPATION

Application to participate will be considered only if: the appropriate forms are used for submission, duly filled in and signed and accompanied by the necessary payment. Registration will be confirmed insofar as space is available. Applicants will be informed in writing of the acceptance or refusal of their application. In the event of refusal all payments shall be fully refunded.

Obligations and rights of the Exhibitor Registration implies full acceptance by the exhibitors of the exhibition regulations. Any infringement of these regulations may lead to immediate withdrawal of the right to participate in the exhibition without compensation or refund of sums already paid, and without prejudice to the exhibitor.

By submitting an application to participate, the exhibitor makes a final and irrevocable commitment to occupy the space allocated and to maintain his/her installation until the date and time fixed for closure of the exhibition.

The exhibitor may only present on his/her stand or space the materials, products or services described in the application to participate.

No advertising on behalf of firms not exhibiting is permitted in any form whatsoever. Transfer or sub-letting of all or part of the allocated spaces is prohibited.

OBLIGATION AND RIGHTS OF ORGANIZER

The Organizer undertakes to allocate exhibition space as far as possible on the basis of the preference expressed by applicants. Application will be considered in order of reception of application forms accompanied by payment. The Organizer reserves the right, in case of absolute necessity, to modify the positioning of stands, with no obligation to provide compensation to exhibitors. The Organizer reserves the right to offer to a different firm any stand or space that has not been occupied by the eve

CANCELLATION

In case of cancellation received (in writing) as per the above policy.

LIABILITY INSURANCE

The organizer provides general guard service and third party insurance at the exhibition site. Equipment and all related display materials installed by exhibitors are not insured by the organizer, and they will under no circumstances be liable for any loss, damage or destruction caused to equipment, goods or property belonging to exhibitors. The exhibitor agrees to be responsible for his property and person and for the property and persons of his employees and agents through full and comprehensive insurance, and shall hold harmless the organizers for any and all damage claims arising from theft and those perils usually covered by a fire and extended-coverage policy.

EXHIBITION REGULATIONS

The Exhibition Manager, acting under direction of the Organizing Committee, has the final decision as to the acceptability of displays.

Exhibitors are not to share with others any space allotted to them without prior written consent by the Exhibition Manager.

The organizer reserves the right to alter the general layout or limit the space allotted to each exhibitor postpone the exhibition or transfer it to another site if unforeseen circumstances warrant such action. Should any contingency prevent the holding of the exhibition, the organizers will not be held liable for expenses incurred other than the cost of exhibit space rental fees.

All exhibits are to be displayed so as to avoid blocking aisles, obstructing adjoining booths, damaging the premises or the leased equipment. Exhibitors are kindly requested to allow sufficient

see-through areas that will ensure clear views of surrounding exhibits.

In standard booths, height is restricted to 246 cm. Exhibitors are responsible for the cost and execution of the design, installation and delivery of their display to (and its removal from) the exhibition site. The ceiling height in Hall X is 3,5 m (approx. 11.5 feet).

Flammable materials are not to be used. Equipment displayed or demonstrated must be installed by strict adherence to safety measures.

Exhibitors may not photograph or examine any exhibitor's equipment without permission.

Exhibitors undertake to observe the timetable designated for completion of their display before the exhibition opening and its dismantling at the close of the exhibition. No display may be dismantled or packing started before the designated hour. It is the exhibitor's responsibility to pack and remove or consign for shipment all items of value prior to leaving their exhibit unattended, otherwise the Organizer will arrange for their removal at the exhibitor's risk and expenses.

Exhibitors are obliged to ensure that their stands permanently manned during the exhibition opening hours. Payment is to be made in accordance with the conditions of payment on the exhibit application form.

Should the exhibitor fail to make a payment on time, the exhibition manager is entitled to terminate the contract, with-

draw confirmation of acceptance, make other arrangements for the stand or seek compensation for non-fulfillment of contract.

Participation by exhibitors is dependent upon compliance with all rules, regulations and conditions stated herein. Access to the exhibition is authorized on presentation of a badge issued by the Organizer. Exhibitors' badges will not be mailed in advance and may be collected from the exhibition manager's desk.

The Organizer ensures daily cleaning of the aisles. Exhibitors are responsible for the cleaning of their stands.

The provision of refreshments to the participants by exhibitors is only permitted if the catering regulations of the exhibition building concerned are observed. Exhibition areas and fittings made available to exhibitors must be handed back in their original condition. In case of damage or loss of equipment provided, or damage to areas occupied, repair and replacement will be charged to the exhibitor.

Any special decoration or fittings must be submitted to the Organizer for prior authorization.

Advertising panels and display are not permitted outside the exhibition areas allotted to exhibitors nor is canvassing or distributing any materials or product samples outside of the exhibitor's own space.

The organizers will not approve stands, which do not comply with the accepted standards, until the necessary changes have been made.
